Re: Year 10 Geography Excursion

7/2/17

Dear Parents/Caregivers,

An excursion has been arranged for your son to undertake fieldwork focusing on investigating urban growth and decline in Sydney. It will provide an engaging opportunity for the students to identify and gather geographical information. In particular, it will allow them to obtain information that will assist them in the completion of their first assessment task.

The details are as follows:

Date:	Tuesday 21 February 2017
Time:	Students are to be at the College no later than 8:45am and will return by 3.00pm
Transport:	Bus & Ferry
Location:	Sydney Harbour
Uniform:	Full sports uniform with lace up shoes MUST be worn. Students may bring their own bag.
Other Requirements:	Students are required to bring their recess, lunch, sunscreen and water. There will be no opportunity for students to purchase lunch.

Why students should attend this excursion

The excursion forms part of the mandatory requirements of the Stage 5 Geography course. It will allow students to consolidate their Geography studies through practical applications and will assist them in the completion of their first assessment task.

Please return the permission slip below to your son's H.S.I.E teacher by Tuesday, 14 February 2017.

Yours sincerely,

Paul Sands
Leader of Learning HSIE

Michael Croucher
Director of Learning and Curriculum
