

## Holy Cross Target Setting 2017

### Report / Band Information

The marks that are awarded will be given meaning by relating them to performance bands that describe the knowledge, skills and understanding of the course typically demonstrated by students whose marks place them in a particular band. Six bands will be used to report achievement. A student who is awarded a mark between 90 and 100 will be placed in band 6. Similarly, a mark between 80 and 89 will correspond to band 5, between 70 and 79 will correspond to band 4, between 60 and 69 will correspond to band 3, and between 50 to 59 will correspond to band 2. A mark below 50 will correspond to band 1, where band 1 is referred to as below the minimum standard expected.
