Parents in Touch Forum

Term One: Our Learning Direction
Tuesday, 14 March 2017

Term Two: Father and Son – Sharing our Faith
Thursday, 25 May

3 March 2017

Dear Parents,

Each term the Family School Partnership (FSP) in consultation with Holy Cross College holds a Parents in Touch Forum. The FSP was created to find out how you can help your son and build a welcoming and engaging learning community at Holy Cross College.

The first Parents in Touch Forum for the year will be held on the evening of **Tuesday, 14 March** and the focus will be “Our Learning Direction”.

While all parents are encouraged to attend, I particularly, encourage parents of Stage 5 (Years 9 and 10) to attend as the topic is particularly pertinent to the developmental phase of your son for his senior schooling.

We look forward to seeing many parents and sons in attendance on the night, across all year levels. Light refreshments will be available.

The meeting commences at 6.30pm in the Flexible Learning Precinct (FLP) with hospitality and welcome for a 6:40pm sharp start. The meeting will run for exactly one hour.

It would also be an excellent opportunity for you to experience first-hand the culture of our great College. I really hope you can join us on the night.

Please fill in the RSVP slip below and return to your son’s HCT teacher.

Yours sincerely

Mr Michael Reid
ASSISTANT PRINCIPAL

Please Return to Your Son’s HCT Teacher by Thursday, 9 March

I / We will attend the Parents in Touch Forum on Tuesday, 14 March.

Parent’s Name: _____ Date: _____

Son’s Name and HCT Class: _____
