Dear Parents of Year 11 Information Processes and Technology Students,

Holiday Workshop for Year 11 Information Processes and Technology (IPT)

While the upcoming term vacation provides both teachers and students a break from the day-to-day structure of school, it also allows for the opportunity to provide extra classes for Year 11 students in preparation for the Semester One Examinations. To assist students in completing their holiday study and revision, the College facilities will be open for a number of days and supervised by qualified teaching staff during the upcoming holiday period.

The following workshop opportunity is available to Year 11 IPT students during the upcoming term vacation:

- **Thursday 20 April 2017, 9:30am-1:30pm** – Collaborative Study and Revision

The workshop will be held in room PT19 in the Patrician Technology Building. Students are asked to enter the College via the St Patrick Gates, between the Patrician Centenary Hall and the Brother's Monastery. Students will need to bring their own recess and lunch as the College Canteen will not be available.

While attendance on this day is not compulsory, it is strongly encouraged that students attend to ensure that their upcoming Semester One Examination is completed to a standard reflective of both the school's expectation, and those of the NSW Education Standards Authority (NESA).

If you have any questions, please do not hesitate to contact Mr Benjamin Lum, teacher of Year 11 IPT, by email on benjamin.lum@syd.catholic.edu.au

Yours sincerely,

Ms Sabnam Kanta
