Dear Parents/Caregivers,

I am writing to advise you of a change to the dates of term 2 from those published in the College calendar in late 2016.

At the end of last year BoSTES' notices advised that Wednesday 26 April would be the first day of Term 2. Since then the New South Wales Education Standards Authority (NESA) has superseded BoSTES and published revised term dates. NESA has amended the previous start date and advised that **Monday 24 April will now be the first day of Term 2 2017.**

Week 1 of Term 2 will now begin with;

Monday 24 April	Normal school day for all students (Full winter Uniform)
Tuesday 25 April	ANZAC Day public holiday
Wednesday 26 April	Normal school day for all students

Any families that have pre-booked holidays that are likely to be affected by this change are urged to contact the College via your son's Year Coordinator.

With thanks for your ongoing support of the College.

Yours sincerely

Mr Michael Reid
