## RE: Holy Cross Winter SleepOut

Dear Parent / Guardian

I am excited to announce that Holy Cross will be hosting its third Annual Winter Sleep Out on Thursday night the **8 of June, 2017**. It will be an evening dedicated to social justice, giving the boys a chance to empathise with the less fortunate in our own community whilst raising funds to support St Vincent de Paul's homeless services.

The night will commence at 5pm with many dynamic and engaging activities planned that will raise awareness of what challenges and struggles homeless people and refugees face. Students will have a simple meal on the night of soup and bread. In the morning a bacon and egg breakfast will be served for all the students involved.

**Where:** College Campus in the Delaney Paddock.  
(Students will sleep in the Patrician Centenary Hall in the event of rain)

**When:** 5pm, Thursday, 8 June to 8:30am on Friday, 9 June.

**(Friday, 9 June is a Pupil Free Day)**

**Cost:** Sponsorship

There will be teacher supervision throughout the event and the College grounds will be secure.

If you would like your son to be a part of this great event please complete the permission note attached. Your son will receive a sponsorship card on the return of the permission slip. He will then be able to inform family and friends about the cause and raise money. To enter the College on the night of the SleepOut students must bring their sponsorship card with them.

Yours sincerely
