Dear Parents,

I am writing to inform you that your son has been selected to take part in the National Australian History Competition. Selection was based on History results from Year 9 and their current performance in Elective History.

In the past few years our students have achieved excellent results for themselves and the College from their participation in this event.

The test is source based with 50 multiple choice questions. It will take 45 minutes to complete. Unlike many other external tests of this type there is no cost to the student.

Your son can prepare for the test by attempting sample questions from the Australian History Competition website. The link is shown below,

<http://www.australianhistorycompetition.com.au/>

The test will take place in their Elective History class on Tuesday 23 May.

Yours sincerely,
