Dear Parents and Students,

## Re: Schoolboy Cup v St Gregory's College Campbelltown

The College First Grade Rugby League team will compete in their first Schoolboy Cup match on Wednesday the 31st of May. We will be sending all of Year 11 and 12 students to attend in order to support our team for this momentous occasion.

The details of the game are as follows:-

<b>Date:</b>	<b>Wednesday, 31 May 2017</b>
<b>Time:</b>	<b>1:35am (depart) – 5:15-5:30pm (return)</b>
<b>Uniform:</b>	<b>College Uniform</b>
<b>Venue:</b>	<b>Campbelltown Stadium</b>

In order to facilitate attendance, students will depart on coaches from the College at the conclusion of Period 4. Students are expected to be fully prepared for classes in the first four periods of the day. They will be actively supervised by College teaching staff for the duration of the trip. The buses will return at the conclusion of the match, aiming to return to the College between 5:15-5:30pm.

Boys will be provided with seating and supervision whilst at the venue. The anticipated crowd is over 2000 spectators and as such it is important for ample supervision that students stay in the designated 'student section'. There will be no canteen facilities available so it is important that boys have food and water with them for the afternoon.

I trust that parents appreciate the importance of this event, supporting the school and ensuring the attendance of your son – it builds culture and pride in their school and will be one of the significant sporting events in the College's calendar. I would also like to warmly welcome all parents and families to join as your support is greatly appreciated.

All students will be travelling to and from the venue on the buses provided by the College. This is nonnegotiable.

Should you or your son have any questions or is unable to attend I ask you to contact Mr Tim White (Sport and Co-Curricular Coordinator) in the first instance via email, [tim.white@syd.catholic.edu.au](mailto:tim.white@syd.catholic.edu.au).

Yours sincerely

Mr Tim White
