15 June 2017

Dear Parents and Guardians of Year 12 Biology Students,

Holiday Workshops for Year 12 Biology

While the upcoming term vacation provides both teachers and students a break from the day-to-day structure of school, it also allows for the opportunity to provide extra classes for Year 12 students in preparation for the Higher School Certificate and upcoming Trial HSC Examinations. To assist students in completing their holiday study and revision, the College facilities will be open for a number of days and supervised by qualified teaching staff during the upcoming holiday period.

The following workshop opportunity is available to Year 12 Biology students during the upcoming term vacation:

- **Tuesday 11 July 2017, 9:00am-12:00pm**

The workshops will be held in room GE03 in the Patrician Technology Building. Students are asked to enter the College via the St Patrick Gates, between the Patrician Centenary Hall and the Brother's Monastery. Students will need to bring their own recess and lunch as the College Canteen will not be available.

While attendance on these days are not compulsory, it is strongly encouraged that your son attends to ensure that his upcoming Trial HSC Examination is completed to a standard reflective of both the school's expectation, and those of the NSW Education Standards Authority (NESA).

If you have any questions, please do not hesitate to contact me by email on jerome.capistrano@syd.catholic.edu.au

Yours sincerely,

Mr Jerome Capistrano
