Dear Parent/Guardian,

Year 10 students will have the opportunity to complete MyCareerMatch online testing for careers education and guidance. MyCareerMatch is a comprehensive online career guidance system that assists students to choose a career path that matches their natural gifts and talents. MyCareerMatch online testing is conducted via the Internet and Career Reports are emailed immediately to your son and Careers Counsellor. Please analyse this comprehensive data together with your son as this information can assist with your son's Year 11 subject selections and general career direction.

Students will be required to undertake the MyCareerMatch online testing in the upcoming school holidays. They can access the Careers Profile questionnaire (for students 14 years and over) by going to the MyCareerMatch website at www.mycareermatch.com.au and following the instructions provided in the website. A short instruction video is available on the website to guide students through the process. Students will then need to enter the code **HLY:654** to complete the online questionnaire. **Please note that it should take approximately 15-20 minutes to complete this questionnaire.**

The online test needs to be completed by **Term 3, Week 1 – Tuesday, 18 July 2017**. Please do not hesitate to contact Mr Mustapic if you have any further queries.

Yours sincerely

Mr Mark Mustapic
