17 July 2017

Dear Parents/Caregivers,

Year 10 students are now entering an important time in their education. Students have completed Semester One Assessment Tasks and Examinations, and are either thinking about leaving school and entering the workforce, or continuing on into Senior School.

I am writing to inform you that the Year 11 2018 Parent/Student Subject Selection Information Night is fast approaching. The details are as follows:

Date: Wednesday, 26 July 2017

Time: 6.30 pm – 7.30 pm

Place: Patrician Centenary Hall

This is a compulsory night for all Year 10 students and their parents/caregivers. Students will need to wear their full school winter uniform. Each KLA - Leader of Learning and the Careers Coordinator will be present on the night for students and parents to ask any questions about their subject area.

Students received a Subject Selection Information Booklet at the end of Term 2, and were asked to complete an online Subject Expression of Interest Survey. This survey was not the students' subject selection, but the results of the survey will assist us in determining which subjects will be offered for selection for 2018.

Students will have the opportunity to attend a Subject Selection Expo on Wednesday, 26 July during the day, where all the KL - Leaders of Learning will be present. Students will have the opportunity to ask questions about particular subjects of choice. Hopefully, initial discussions have already commenced and the Information Evening will help you and your son select subjects that are appropriate for him.

On **Wednesday 6 September 2017**, you will be invited to the College for an interview with your son to discuss his subject selections for next year. As a part of the process of enrolment into Year 11 2018, a commitment from families will be required in the form of a non-refundable enrolment fee and the signing of a Senior Student Statement of Enrolment Understanding. A further note will be sent home regarding this statement and enrolment fee, prior to 6 September 2017.

This is a most significant time of discernment for your son and more broadly for you as a family. Be assured of our best efforts to assist you in determining the best choices for your son.

Yours sincerely

Mr Michael Croucher
DIRECTOR OF LEARNING AND CURRICULUM

Please return to Mr Craven
Tuesday 25 July 2017

I have received the letter dated 17 July 2017 and will be attending the Year 11 2018 Subject Selection Information Night on Wednesday 26 July 2017.
