Dear Parents/Caregivers

Year 8 students are now entering an important time in their education, where for the first time they will be able to select elective courses that they wish to study in Years 9 and 10.

I am writing to inform you that the Year 9 2018 Parent/Student Subject Selection Expo and Information Night is fast approaching. The details are as follows:

- Date:** Wednesday, 23 August 2016
- Time:** 5.30 pm – 7.30 pm
- Place:** Flexible Learning Precinct & Patrician Centenary Hall

This is a compulsory night for all Year 8 students and their parents/guardians. Students will need to wear their full school uniform.

The evening will commence with a Subject Selection Expo from **5.30 - 6.30 pm** in The Flexible Learning Precinct where parents and students can meet with the Leaders of Learning to ask questions and/or seek clarification on elective subject choices for 2018.

Following this Expo, an information session will occur in the Patrician Centenary Hall where Mr Stewart and Mr Reid will outline the requirements of the importance of Stage 5 study.

Your son received a Subject Selection Information Booklet earlier this term and he should be looking at this as a guideline for elective subjects to be studied for next year. Hopefully, initial discussions have already commenced and the Information Expo and Evening will help your son select subjects that are appropriate for him.

This is a most significant time of discernment for your son and more broadly for you as a family. Be assured of our best efforts to assist you in determining the best choices for your son.

Yours sincerely

Mr Michael Croucher  
DIRECTOR OF LEARNING AND CURRICULUM
