Dear Parents of Year 12 Information Processes and Technology Students,

## **Holiday Workshops for Year 12 Information Processes and Technology (IPT)**

While the upcoming term vacation provides both teachers and students a break from the day-to-day structure of school, it also allows for the opportunity to provide extra classes for Year 12 students in preparation for the Higher School Certificate Examinations. To assist students in completing their holiday study and revision, the College facilities will be open for a number of days and supervised by qualified teaching staff during the upcoming holiday period.

The following workshop opportunities are available to Year 12 IPT students during the upcoming term vacation:

- **Thursday 28 September 2017, 9:00am-1:00pm** – Collaborative Study and Revision – All Topics

The workshops will be held in room PT19 in the Patrician Technology Building. Students are asked to enter the College via the St Patrick Gates, between the Patrician Centenary Hall and the Brother's Monastery. Students will need to bring their own recess and lunch as the College Canteen will not be available.

While attendance on these days are not compulsory, it is strongly encouraged that your son attends to ensure that his upcoming HSC Examination is completed to a standard reflective of both the school's expectation, and those of the NSW Education Standards Authority (NESA).

If you have any questions, please do not hesitate to contact Mr Benjamin Lum, teacher of Year 12 IPT, by email on [benjamin.lum@syd.catholic.edu.au](mailto:benjamin.lum@syd.catholic.edu.au)

Yours sincerely,

*Skanla*
