Dear Parents / Guardians,

As indicated above, our next Parents in Touch Forum for the year will be held on the evening of Wednesday, 11 October in the Patrician Centenary Hall from 7:00pm-8:00pm.

All parents are encouraged to attend, we are particularly targeting students in Years 9, 10 and 11 to attend as the topic is pertinent to the developmental phase of your son.

The College has engaged the services of *Rocky Biasi from Human Connections – Changing Lives*. Through his workshops and presentations, Rocky enlightens and educates people on the latest research in wellbeing, mindset and peak performance. He also trains people on how to connect with others and helps them create the change they desire and to face life differently, going through it with energy, inspiration and fulfilment.

We look forward to seeing many parents and sons in attendance on the night, across all year levels. Light refreshments will be available. We very much encourage you to bring your son with you on the night.

The meeting commences at 7.00pm sharp with hospitality and welcome for a 6:40pm start. The meeting will run for exactly one hour.

Should you have any queries about the Forum, please do not hesitate to contact me at the College on 9808 1033.

Yours sincerely,

Mr Phillip Stewart
PRINCIPAL
