Dear Parents,

The **compulsory** Information Evening for all parents of Year 12 2018 students is scheduled to take place on **Wednesday, 11 October at 6:00pm in the Patrician Centenary Hall.**

This night will be in relation to the expectations on your son for his remaining time as a senior student of the College and any questions in relation to your son will be answered by the Leadership Team and Mr Andrew Gillies, Year 12 Coordinator.

The following matters will be addressed at this time:

- College Expectations
- Course Requirements
- NESA Information
- Assessment Rules and Regulations
- Assessment Schedules
- Procedures for late submission of Assessment Tasks due to illness
- Change of Subjects

UAC guides for University selections will also be distributed by Mr. Mark Mustapic and questions answered in regards to TAFE, Trades and University information.

In addition to this, the College policy and procedures in light of your son being granted permission to drive to school will be outlined. No student is permitted to drive to school until he has completed the Driver Education Program that will take place at the College early in Term 4. You will receive another letter in which all of those details will be communicated. Once this has been done, there is a system in place to grant students permission to drive.

It is an exciting time for you and your son and I am very much looking forward to sharing this time with you. I am confident that together, the graduating class of 2018 will have a year that is rewarding both socially and academically and that they are enriched by the myriad of opportunities afforded to them at Holy Cross College.

I look forward to seeing you all on Wednesday 11 October at 6.00pm.

Yours sincerely,

Mr. Andrew Gillies
YEAR 12 COORDINATOR

Mr Michael Reid
