Permission to drive to school in 2017/2018

1. Requirements

Year 12 students will be granted permission to drive to school once appropriate conditions are met and permission obtained. The College believes that the granting of such permission is a privilege, rather than a right, that senior students must earn. Accordingly, the HCT teacher will be asked to complete Part A of this document. In addition, the student seeking permission to drive will be required in Part B to state the reason(s) why it is necessary to drive to and from school. Further to this, should this application be successful, the driver agrees to comply with a number of conditions designed to facilitate safety. These are outlined in Part C. Each section must be signed.

Parents are to complete Part D of this document.

2. Review of Decision

Should the applicant fail to meet the criteria outlined in Part A of this document, a further application may be made not less than two weeks after this application.

Part B: To be completed by the applicant

Part C: Permission will also be granted subject to you agreeing to comply with the following conditions:

- i) That at all times you will drive in a responsible and courteous fashion;
- ii) That you will not use your car between arrival at, and departure from school;
- iii) That you will not carry passengers if they have not first acquired and submitted to the Year 12 coordinator the written permission of their parents;

I, _____ of HCT Class _____ understand that my failure to comply with any of these conditions may lead to revocation of permission to drive to school.
