Term One Parents In Touch Forum
Wednesday, 11 April 2018
6:00pm-7:00pm
Cardinal Gilroy Library (FLP)

Dear Parents

On Wednesday 11 April the College will host its first Parents in Touch event for 2018. The target audience for this event is our Year 7 Parent Community and the focus of the evening will be an opportunity for you to become familiar with the online learning tools that are fundamental to your son's education.

The evening will begin in the Flexible Learning precinct at 6pm and proceed for an hour. Parents are asked to bring their son's iPad with them and ensure that they have the pass-code to open and use it.

I strongly encourage you to attend this evening so that you can develop the knowledge and skills to be able to monitor, engage with and support your son's learning at home. We look forward to welcoming you on the evening as we continue to build a strong family, school partnership.

Yours sincerely

Mr Phillip Stewart
