6 April 2018

Dear Parents and Guardians,

## **Holiday Workshop for Stage 6 Information Processes and Technology (IPT) and Software Design and Development (SDD)**

While the upcoming term vacation provides both teachers and students a break from the day-to-day structure of school, it also allows for the opportunity to provide extra classes for senior students in preparation for their upcoming assessments. To assist students in completing their holiday study and revision, the College facilities will be open for a number of days and supervised by qualified teaching staff during the upcoming holiday period.

The following workshop opportunity is available to Year 11 IPT (DEN), Year 11 SDD and Year 12 IPT students during the upcoming term vacation:

- **Friday 20 April 2018, 9:00am-2:00pm** - Collaborative Study and Assessment Work

The workshop will be held in the Gilroy Library within the Flexible Learning Precinct, at Holy Cross College Ryde. Students are asked to enter the College via the St Patrick Gates, between the Patrician Centenary Hall and the Brother's Monastery.

Students will need to bring their own recess and lunch as the College Canteen will not be available.

While attendance on this day is not compulsory, it is strongly encouraged that students attend to ensure that their upcoming assessments are completed to a standard reflective of both the school's expectation, and those of the NSW Education Standards Authority (NESA).

If you have any questions, please do not hesitate to contact Mr Benjamin Lum, teacher of IPT and SDD, by email on [benjamin.lum@syd.catholic.edu.au](mailto:benjamin.lum@syd.catholic.edu.au)

Yours sincerely,

Mr Daniel Junge  
LEADER OF LEARNING: TAS/VET

Mr Michael Croucher  
DIRECTOR OF LEARNING AND CURRICULUM
